A final total of the Third Liberty Loan campaign in Rush county from official figures made up from the returns of the banks in the county indicates that the county subscribed \$797,950. The minimum quota asked was \$485,000 and the excess quota \$750,000.

"The Third Liberty loan returns from townships in Rush county should make its citizens and Liberty Loan workers proud that they participated in a work which has brought such glory to the county," declared Earl Payne today when the final reports were received from the various banking sources.

In the final hours of the drive subscriptions which amounted to considerable amounts were received at many of the banks which aided in making the total for the county make rapid strides toward a goodly subscription even above the excess which had been asked from Rush county. The latest loan was participated in by 3,024 Rush county residents.

Although Rush county's subscriptions had mounted above the fifty-per cent excess quota early Saturday morning, volunteer subscriptions kept pouring into the headquarters from the women's department as well as the Boy Scout troops until a late hour on Saturday.

Rush county women have once more emphasized their loyalty and not only reached their excess quota in the third drive for Liberty dollars which closed Saturday night, but reached the \$188,550 mark which was \$2,900 in excess to the amount asked.

"The splendid work done by the women in every part of the county was made possible only by the untiring energy of the township chairmen and their canvassers, combined with the ready co-operation of the women through the county who subscribed so liberally," declared Miss Anna Bohannon, chairman of the women's department of sales, today.

Miss Bohannon, whose position as executive of the women's campaign was filled in a most capable manner, expressed deepest appreciation of the work which the women accomplished during the recent drive and expressed a desire that the same organization be maintained for future patriotic duties.

The last days of the campaign which the women made in as effort to reach their excess quota, marked a most remarkable drive. With more than \$25,000 to raise after the territories had been canvassed the second time, the women entered into the final lap with the enthusiasm which recognized no defeat and their reward came several hours before the closing of the campaign when the announcement of their excess quota subscription was made at the county loan headquarters.

The Boy Scout department of the Liberty Loan campaign in Rush county, marked by a whirlwind of enthusiasm which is wont to accompany any movement of the troops, was one of the most interesting in the entire drive.

Handicapped by the fact that they did not enter the drive until the last ten days of the movement and

Loan Subscriptions As Received by Banks

The reports of subscriptions received at the various banks in the county are as follows:

Carthage	\$ 69,000
Arlington	25,000
Manilla	48,000
Milroy	60,850
New Salem	21,800
Rush Co. National	182,150
Rushville National	80,000
Peoples National	155,250
Peoples Loan & Trust	50,000
Farmers Trust Co.	25,050

Glenwood	34,250
Total	\$797,950

their intensive campaign held back until the last week, their total subscriptions which were made available this morning, were excellent.

The amount of sales subscribed to the three troops was 29,450. Troop four, at the Methodist church sold \$3,950 worth of bonds; troop two at the Christian church sold \$8,350 and troop three at the First Presbyterian church sold bonds which amounted to \$17,150.

Twenty-eight boys participated in the campaign and the large amount of bonds sold by the troop at the First Presbyterian church was due to the fact that they had a one-hundred percent co-operation among the members.

On the final day of the campaign the boys added \$4,000 additional Liberty dollars to the fund. The number of boys who will receive honor medals as the result of their participation in the Third Liberty Loan drive will by far exceed either the first or second campaign, when the campaign they carried on was similar to the one which they have just finished.

DENIES ANY PEACE OFFERS WERE MADE

Foreign Secretary Balfour Says
There is no Truth in Rumor of
German Proffers

STORY COMES FROM HOLLAND

(By United Press.)
London, May 6.—Foreign Secretary Balfour, replying to a query in the house of commons this afternoon, declared that no peace offer had been made to the allies recently and that no representatives of any neutral are here who have made any tentative offer of informal peace negotiations. Balfour denied that German peace proposals have been made through Holland.

Amsterdam, May 6.—Former Minister Colyn is reported to have gone to London to present the following proposal in behalf of Germany:
Renunciation of all claims in the west; full restoration of Belgium; Autonomy of Alsace-Lorraine within the German confederation; continuation of the present status in the east; concession by Austria in the Trentino and an international conference to decide the Balkan and colonial question.

AUTHORIZES A PROBE

Washington, May 6.—The White House announced today that President Wilson has authorized an official probe of the air-craft board's work. Secretary Baker has been ordered to inquire into the need of a court martial hearing.

County Treasurer's Office Will be
Open Until 9 Tonight

There was estimated to be about \$14,000 of the spring installment of taxes on the books this morning when the county treasurer's office opened for the last day's business before taxes can be paid without a penalty. Saturday's collections amounted to \$16,423.74. The office will be open tonight until nine o'clock for the convenience of city people.

SEVERAL HURT IN AUTO ACCIDENTS

Machine Strikes Motorcycle, Throwing
Delta Hinchman Against
Bridge South of City

TWO WOMEN ARE INJURED

Automobiles Collide at Street Crossing
in Arlington—Machine Ditched
Northeast of Here

Four persons were injured in a series of accidents happening within 24 hours. Mrs. Will Hall suffered bruises and a cut on her face when her machine skidded into the ditch northeast of here Saturday afternoon and Delta Hinchman sustained a broken leg and other injuries when his motorcycle was struck by an automobile in the bridge south of Rushville Sunday.

Mrs. Henry Badger and Mrs. Henrietta Brown of Indianapolis were hurt when a machine driven by Eady Lair of Arlington ran into their car at the intersection of two streets in Arlington Sunday.

Auto Hits Motorcycle
Delta Hinchman sustained a broken leg yesterday afternoon when he was thrown from the motorcycle in a collision with a heavy automobile in the white bridge south of the city.

The automobile which was driven by Hugh Jones, was traveling south and had almost reached the southern end of the bridge when Mr. Hinchman, coming up the steep embankment from the Jones race track, rounded his motorcycle into the bridge in front of the machine. He was thrown from the cycle onto the sharp stone foundation at the side of the bridge, breaking his leg half way between his knee and ankle. A deep gash was cut in his forehead and there were other cuts and bruises on his body.

The occupants of the car included Hugh Jones, Frank Kelly and Carl Hawkins and when they reached the side of the injured man, he was unconscious. He was taken to the Dr. Sexton hospital where his leg was set and six stitches were taken in his forehead.

The motorcycle was broken in two pieces but aside from a bent fender the automobile was not damaged.

Cars Collide at Crossing

Two women were slightly injured when the machine in which they were riding collided with another car at a cross street in Arlington yesterday evening shortly after five o'clock.

The light touring car driven by Henry Badger of Indianapolis was running west and at the cross street a heavier car, in which Mr. and Mrs. Eady Lair of Arlington were riding, ran into it, turning the light car completely around and throwing Mrs. Henrietta Brown on to the ground.

Both Mrs. Badger and Mrs. Brown suffered a nervous shock from the accident but aside from a few bruises, were not injured severely. Both cars were damaged but after repairing the car belonging to Mr. Badger, the party was able to return to their home in Indianapolis. At the time of the accident they were en route to their home from New Salem where they had spent the day with Mrs. Brown's brother, J. Frank Wil-

ALLEGED GERMAN SPY IS RELEASED

Michael Goran, Subject of the Kaiser, Set Free After U. S. Marshal Advises This Course

Arrested by Deputy Sheriff After Complaint From Webb Neighborhood—Registered at Shelbyville

CLOSE WATCH ON HIS ACTIONS

Deputy Sheriff Will Spivey has released from jail Michael Goran, a subject of the kaiser and a native of Alsace-Lorraine, who was arrested on a complaint from the Webb neighborhood southwest of the city where he was suspected of being a German spy.

Goran was registered as enemy alien at Shelbyville April 29 after lying in jail there for eight days, and when he was released, walked to this county where he aroused the suspicions of a number of people.

Goran was not released from jail until Deputy Sheriff Spivey had been assured over the telephone by Mark Storen, United States marshal, at Indianapolis, that he was on the track of Goran. The deputy sheriff told Goran to leave Rush county at once or he would be placed under arrest again.

Goran had on his person clippings from newspapers all over the United States, all of them pertaining to the war. He did not deny being a subject of the emperor of Germany or a native of the conquered territory of Alsace-Lorraine. He showed his enemy alien registration card, setting forth these facts, to the deputy sheriff, just as soon as he was arrested.

It develops that he is suspected by the authorities of being guilty of being engaged in some sort of German propaganda and that he is being carefully watched. It is said that a detective was put on his trail when he was released from jail at Shelbyville and has been shadowing every movement he makes.

It is reported here that the detective followed Goran from Shelbyville to the Webb neighborhood, walking all the way, and that he was in Rushville soon after Goran had been arrested and brought to the jail here. It is also declared that the detective took up the trail just as soon as Goran was released from jail here.

CAPT. MILLER AT WESTPOINT

Captain Eugene C. Miller of Indianapolis, son of Mr. and Mrs. B. F. Miller of this city, was one of nineteen officers going to Westpoint, Ky., yesterday to take training at the artillery range. He commands Battery A of the Second Indiana artillery regiment.

Next Rush County Quota Be Sent To Camp Taylor

Number of Selectives Going in May
25 Troop Movement Not Yet
Known—Three to Ft. Harrison

THREE CLERKS CALLED TODAY

The Rush county army selection board today received word that it would be notified in a few days of the county's quota in the five-day troop movement beginning May 25 and that Rush county selectives on this call would be sent to Camp Taylor, Ky.

The state's quota on this call is 3,476 and it is probable that about twenty-five class one registrants will be taken from this county. Two hundred and thirty-three thousand selectives will be called for training during this five-day movement.

FIFTEEN REPORTED MISSING

Casualty List Probably Contains
Names of Men in Seicheprey Fight

(By United Press.)

Washington, May 6.—Today's casualty list contained further names of American soldiers believed to have been captured in the recent fighting at Seicheprey. Fifteen were reported missing. The list also includes six deaths in action, three from wounds, nine of disease, two from accident, one from other causes and fifty-two wounded.

MEETING TO BE HELD TONIGHT

Madison Walsh Will Offer Suggestions
on Conduct of the Drive
For War Camp Fund

The local council Knights of Columbus opened their campaign for Rush county's allotment to the war camp fund yesterday, visiting every family, members of St. Mary's Catholic church, during the day.

The campaign workers have succeeded in completing an excellent organization, one which has already displayed an unusual amount of ability in soliciting subscriptions. Already the fund has made a big stride toward the county objective of \$3,000 which the workers expect to reach long before the end of the week.

Madison Walsh, state deputy for Indiana, and prominent in the war fund movement in Indiana, will attend the meeting of the Knights of Columbus tonight and will offer any suggestions to the canvassers concerning the drive and assist in any manner possible toward making it the success, Rush county desires it to be.

Letters from Indiana boys in army training camps to their home are making it plain that in the excitement of departures for "over there," the religious spirit in youth is rising with the enthusiasm to serve under Old Glory, and, while there is much uncertainty as to time of departure and final destination, the soldier boys make spiritual as well as physical preparation for leaving camp. Thousands of unconverted, as well as converted, young men hold prayerful conferences with chaplains, Y. M. C. A. and Knights of Columbus secretaries. Protestant boys are supplied with New Testaments.

BRITISH ADVANCE ON ONE MILE FRONT

Move up 1200 Yards Between Ancre
and Somme and North of Somme

MANY PRISONERS ARE TAKEN

French Repulse German Attack and
Penetrate Enemy Positions
Northwest of Rheims

(By United Press.)

Paris, May 6.—"A German attack following a violent bombardment failed southeast of Anchin farm," the French war office announced today. "The enemy lost numerous men. We penetrated German positions northwest of Rheims, inflicting serious losses and bringing back a quantity of munitions."

With the British Army in France, May 6.—British troops have advanced 1200 yards on a front of more than a mile between the Ancre and the Somme.

North of the Somme the Australians advanced 700 yards on a 1,500 yard front Sunday morning and early today they added another 500 yards on a 2000 yard front. Suddenly and silently they swept forward, surprising the German garrison in the front line north of the Somme taking prisoners. There are many Germans dead and the Australian casualty is not heavy. Intermittent shelling continues. It is raining.

Captured letters intended for the Germans at home show discontent.

The German troops write despondently of the still distant peace, which they had been led to believe was near. The prisoners claim the troops have again been misled and instead of peace there will be more warfare.

Anticipating the next fighting both the French and British are optimistic.

With the American Army West of Montdidier, May 6.—American guns shelled Montdidier, Cantigny and other towns in this vicinity captured by the Germans some time ago.

Montdidier which can be seen from an observation post in the American line, was badly knocked about.

The American artillery blew up what probably was an ammunition dump near Cantigny, the fire lasting one-half hour. There was straight aerial activity here. Two boche planes were shot down and another was captured.

London, May 6.—British troops advanced their line on a "considerable front" on both sides of the Somme despite strong enemy resistance. Field Marshal Haig reported today:

"We captured 150 prisoners, 2 machine guns and a trench mortar," Haig said.

"At Morlaucourt the enemy losses were heavy and our losses were slight. In local fighting during the night we improved our position in the neighborhood of Locon and on the Lave rivers."

Paris, May 6.—The American artillery fired 60,000 shells into the German trenches before a recent attack, it was announced today.

An American patrol penetrated German lines in the village of Ancerville to a depth of 300 yards this morning, overcoming an observation post, taking four prisoners and killing three.

Constantinople, May 6.—German troops occupying the Sebastopol found in the harbor most of the Russian Black sea fleet, including cruisers, destroyers, torpedo boats, submarines and merchantships.

Earl Miller, who has been in the spruce production division of the signal corps at Vancouver, Washington, has been transferred to Clatsop, Oregon.

A FIGHT FOR LIFE

It has been fight or die for many of us in the past and the lucky people are those who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "An-uric." You should promptly heed these warnings, some of which are dizzy spells, headache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as stone in the bladder.
To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water, and at each meal take Doctor Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm indorsers of Anuric.

BUTLER, IND.—"I was troubled with weak kidneys. I bought one package of Dr. Pierce's Anuric Tablets and gladly recommend them, as they have completely cured me."—Mrs. Mary L. Ellis, Ash St.

ELKHART, IND.—"As a kidney medicine I find Anuric to be the finest I have ever known. I am 34 years old and for years have suffered with backache, and my bladder caused me to have many a restless night. I have also suffered with rheumatism in my limbs. I have taken other kidney remedies but must say that Anuric is the best one of them all. My back has ceased to ache, the rheumatism has disappeared, and I am able to rest at night."—Mrs. Indiana Hunt, 727 W. Franklin St.
Ask the druggist for Anuric (60c) or send Dr. V. M. Pierce, Buffalo, N. Y., 10c for trial package.

Everybody Welcome

The Knights of Columbus slogan—"Everybody Welcome" which appears on every K. of C. recreation hall of this country and on every Hut in battle-torn France means what it says. Every khaki clad soldier regardless of religious affiliation, may he be Protestant, Catholic or Jew, is a welcome visitor.

There is no creed in the work of the Knights. The Knights are bending all their energies to the one great end of helping the American fighters win the war and by offering their comforts and pleasures they increase the morale of the army without which an army cannot win.

In order to continue what they have already accomplished, and to increase their facilities as the army increases in size, it has become necessary to institute the present "Drive" and everybody is asked to boost the good work along by making liberal donations.

This "Drive" is heartily endorsed by President Woodrow Wilson, Secretary of War Baker and Secretary of Navy Daniels.

From May 5th to May 12th,
an appeal will be made to the People of the State of Indiana,
Protestant, Jew or Catholic
to raise the sum of \$250,000 for War Welfare Work
under the auspices of the Knights of Columbus.

The Knights of Columbus have the same government recognition as the Y. M. C. A. because they are doing the same work. There is no overlapping because if only one of these organizations did all the welfare work, it would need a far larger budget.

Co-operating both organizations have all the work they can do. We feel, therefore, that we have a right and just claim to general public support in this movement.

The soldiers and sailors are the nation's defense in this, her hour of peril. They are going into serious danger. They will meet death in many and terrible forms.

Catholic, Protestant and Jew will fight side by side; they should be backed by all their countrymen, irrespective of creed or race in every "Drive" for funds.

The response to the appeal of the Knights of Columbus has already been very generous. Many liberal contributions have been sent in from various parts of the county without personal solicitation. This shows that the people of Rush County are willing and ready to back any enterprise that is working for the welfare of our soldier boys.

Habitual Loafers Disappear.
The problem of the habitual loafer in Indiana is nearly a thing of the past. Since last November George Harney, of the Protection committee of Indiana State Council of Defense has been endeavoring to solve this problem and, according to reports from a majority of counties, encouraging results have been accomplished.

It is recognized that the loafer is a burden to a community, especially in time of war when everyone is expected to do his part, says Mr. Harney. Proceeding on the theory that the able bodied loafer should be eliminated entirely and that definite action would accomplish this result, Mr. Harney wrote to officials in every county of the state asking that a census of all the habitual loafers be taken. The results are interesting. Out of forty-seven counties from which reports were received only two, Carroll and Crawford, reported that every able bodied man was at work. The reports from other counties ranged from a very few to 100 idlers.

In order to eliminate these loafers, an ordinance was drafted and sent to each city and town council and its passage was urged. This ordinance was designated as an "emergency war ordinance" and was so worded that it would be effective only during the period of the war.

THEY ALL DEMAND IT

Rushville, Like Every City and Town in the Union, Receives It
People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Rushville evidence of their merit.

Frank McFarland, 830 W. 10th St., says: "My kidneys began to get weak and in a short time I was so bad off I could hardly get about. My back was in terrible shape. It ached so, especially at night, I could hardly sleep. Mornings, my back was so stiff that, when I bent over, I could hardly straighten up again. The kidney secretions were too frequent in passage and highly colored. Another of the family had used Doan's Kidney Pills with such good success I thought I would try them so I got a box at Johnson's Drug Store. They helped me right away and I kept on using them until I was cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McFarland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. —(Adv.)

DOG OWNERS MUST PAY THEIR TAXES

Those Who Dodged Assessor Should Pay Township Trustee Because They Will be Detected

NO STRAYS TO BE TOLERATED

Owners of dogs who dodged the assessor can't "get away with it." They should call on J. V. Young, township trustee, and pay the tax. In this way they can avoid the penalty because they will be detected. The assessors are now making their reports and it is an easy matter to use their lists and discover owners who did not report their dogs to the assessor. There is one way out and that is to pay the township assessor or and escape the penalty.

On account of food conservation measures, the less dogs supported the better off is the community. This is the position which the township trustee is taking. All dogs which are not accounted for on the tax duplicate will be sent to their final resting place. In some places dogs are not tolerated at all unless they are kept on the owner's premises.

It carries a penalty of a fine of not to exceed \$100 and imprisonment for a period of not to exceed six months. The ordinance places the age limits at eighteen and sixty years and includes all able bodied men between these ages who have not made an attempt to obtain employment. No exception is made of the man who is living from an income or who has money enough to keep him, but it is intended to make every able bodied man a producer.

This ordinance has been passed in nineteen cities to date with the result that the habitual loafers have either left town or have gone to work. In almost every case the police departments have undertaken to find employment for men who say they are unable to obtain work. In other cities and towns an active campaign has been made against loafers with the result that at the present time there is hardly a known loafer in the state of Indiana.

In olden times there was a saying that "when thieves fall out, honest men get their due." Now, instead of falling out they divide the "territory" and honest men don't stand a ghost of a chance.

"Honey and Tar will give you ease when you start to cough and sneeze."

FOLEY'S HONEY AND TAR

DON'T wait for a cold to attack you. Fight back. Attack it. Hit first, if you can. At the first indication of the presence of the enemy, get busy. Go right after him and keep right after him until you know positively he has retreated and gone for good.

Watch—But Don't Wait

Don't be afraid of answering a false alarm. You never can tell what a cold will do when it gets a good start. So there's only good and no harm done when you stop a cold before it gets any start at all.

It is far better to take a dose of safe and harmless cough medicine when you don't absolutely need it than it is to fail to take it when you do need it. Play safe and sure. It pays in the long run.

How to Attack Successfully

The best way to attack a cold is to take a few doses of Foley's Honey and Tar Compound. It quickly checks the cold and by its action builds up a strong defense. It coats the raw inflamed membranes with a soothing, healing armor, stops the spread of inflammation, clears the air passages, loosens the phlegm, eases the breathing and banishes the annoying, wheezing condition. Foley's Honey and Tar Compound contains no opiates, is absolutely safe and harmless, and has been used in thousands of homes for many years to prevent and overcome coughs, colds, croup, whooping cough, la grippe and bronchitis. In 25c, 50c and \$1.00 sizes. You get the original and genuine Honey and Tar Compound when you insist on Foley's.

Don't Fail to See the New Reo Light Four

THIS NEW REO MODEL is the epitome of Reo experience—and that, as every motorist knows, is the longest, most extensive experience in Motor Car building.

REO BUILT GOOD CARS long years before most of those now in the business had started. REO AUTOMOBILES HAVE always been good automobiles—rugged, dependable, and famed from the first for Low Upkeep.

SO SOUND HAS BEEN Reo engineering you have seen less Reo Models than of any other make—bar none.

THAT FACT ALONE should indicate to the prudent buyer that he would be more certain of choosing right if he just closed his eyes and said "Reo" than if he shopped for weeks up and down the Row.

WHEN YOU CONSIDER, for example, that the predecessor of this new Reo Light Four—that wonderful Reo the Fifth—was standard in practically the same form for eight seasons while its competitors changed yearly and oftener, the natural conclusion must be that it was a marvelous product.

THIS NEW LIGHT FOUR is a refinement of that Reo.

IN ALL MECHANICAL ESSENTIALS it is the same—but refinements have been made wherever our engineers could find a better way. IN OUTWARD APPEARANCE it is one of the classiest cars of the year.

UP TO THE MINUTE in design—every line and curve and every detail of finish is in the latest style.

AT THE NEW YORK SHOW where dealers and the public got the first glimpse of this latest Reo, the exclamation most often heard was "At last the Reo Four looks as good as it is!"

AND THAT SUMS IT UP—mechanically you know there has never been a better motor car. PERHAPS WE DID concentrate on the engineering features to the neglect of mere outward appearance. Perhaps.

AND YET—AND YET—never has there been a more popular automobile—never one the demand for which always so greatly exceeded the output.

NOW YOU RECEIVE BOTH in this new Reo Light Four—a chassis that is recognized wherever motor cars are known, as the most rugged, the most dependable; the most simple and the most accessible.

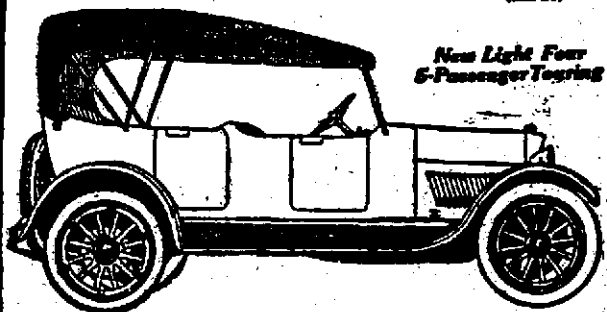

INCORPORATED ALSO in this latest model are those features of design and that quality of materials which have resulted in an upkeep cost lower than any other car ever made;—

AND PLUS APPEARANCE—a body that in design and finish is fully in keeping with the mechanical excellence of the car.

STUDY EVERY DETAIL of this new Reo Light Four—and say if you have ever seen anything that so fully conforms with your own ideas of what an automobile should be.

Miss Zella Hungerford, to be Graduated from Moscow High School, Wins Distinction

RECORD FOR TWELVE YEARS

When Zella Hungerford, daughter of Elliott Hungerford, graduates with the senior class of the Moscow high school tomorrow night, she will have won a distinction which doubtless few pupils in the history of Rush county have ever attained. Her graduation will mark the end of a school career of twelve years without ever missing a day or having been tardy. She has attended school under difficulties not encountered by pupils living in Rushville because during her high school days—for four years—she drove between nine and ten miles every day, counting both ways.

Miss Hungerford was in the common schools from September, 1906 to May, 1914 and when she was graduated she received a gold medal for her record.

Twelve seniors will be graduated from the Moscow high school Tuesday evening when the exercises will be held at the Moscow Christian church. Miss Hungerford will leave May 18 for Danville, Ind., to enter normal school. She is eighteen years of age.

WARNING SOUNDED ON SEDITION BILL

Senator Johnson Says It Will Breed Discontent and Make People Timid and Fearful

IMPOSES HEAVY PENALTIES

(By United Press.)

Washington, May 6.—Warning that passage of the pending sedition bill would "breed discontent and make a great virile, people timid and fearful," Senator Johnson, California, in the senate denounced that which he termed attempts to close the lips of the American people.

The bill imposes twenty years imprisonment and \$10,000 fine on any person who uses profane or abusive language about the government, the army, or who spreads false rumors, inciting resistance to the government, or who by written or spoken words favors the cause of Germany.

This Woman Is A Lot Improved

Gives Tanlac Credit For Putting Her Stomach Back in Good Shape

"I took three bottles of Tanlac and I'm as well as ever now," said Mrs. Cora Mitchell, 613 Senate street Indianapolis, Ind.

"I had a lot of trouble with my stomach before I took Tanlac," Mrs. Mitchell continued. "The food I ate just seemed to lay in my stomach and sour without digesting and it made me feel pretty badly. I was bothered a great deal with gas in my stomach and I got bloated often. Sometimes the gas in my stomach got so bad that pains would come and I'd have a smothered feeling."

"I was nervous too, and felt tired out most of the time."

"I began to feel better soon after I started taking Tanlac but it wasn't until after I'd taken all the first bottle that I noticed real improvement. Then I could see that my food was being digested better, because the bloating of my stomach wasn't so bad. Well, I kept on taking Tanlac until I'd taken three bottles in all and then my stomach was in fine shape. I'm not bothered with any gas in my stomach at all now."

"Yes, I feel as well as ever now and Tanlac gets all the credit."

"If you don't feel right get Tanlac today. You can get Tanlac at F. E. WOLCOTT'S Drug Store."

Veteran of Civil War is Afflicted With Cerebral Hemorrhage and Lives Only Few Hours

FIVE CHILDREN SURVIVE HIM

The funeral of Samuel H. Bosley, age 73 years, a veteran of the civil war, who died at his home in Milroy Friday from a cerebral hemorrhage, was held at the Milroy Christian church Sunday afternoon at 2:30 o'clock, conducted by the Rev. Mr. Adams, pastor of the church. Burial took place in the Milroy cemetery. Mr. Bosley had been an invalid for twenty years and last Thursday night he was afflicted, living only a few hours afterward.

Mr. Bosley was born Dec. 8, 1844 and spent practically his whole life in Anderson township. He served two enlistments in the civil war, first being identified with Company K, 54th Indiana Volunteers, and later with Company E, 123rd Indiana Volunteers. He was a member of the Frank Swain post of the G. A. R. at Milroy. He also was a member of the Christian church from boyhood.

Five children survive him as follows: Mrs. Frances Fishback of Pekin, Ill.; Mrs. L. E. Berner of Indianapolis; Mrs. J. L. Parsons who lived with her father, George C. Bosley of Richmond and Will Bosley of Milroy.

Gentry Bros. Shows Coming

Gentry Brothers Famous Shows and Wild Animal Circus which will exhibit in Rushville on Wednesday May 15, are presenting a patriotic spectacle as the opening number of this years all new performance. Nearly 100 of the ponies take part in the picture which represents the allied nations. At a command from the trainer they march in different directions, each one bedecked with flags of the nation they represent and the entire moving panorama of horses forms one of the most stirring events in the program. The spectacle is the result of the trainers efforts of the past year and is pronounced the biggest and best animal display ever seen. Many new acts and features have been added to Gentry Brothers shows this year including a complete wild animal circus.

William Russell at the Gem

William Russell who is showing at the Gem theatre today in "The Midnight Trail," is a star of quick action drama and his screen performances are of the two fisted variety tastefully combined with Tuxedo tailoring. In this picture he gives a remarkable interpretation of Jack Woodford, a New York millionaire and seeker after thrills who fancies himself in the role of a detective. In this role he trails a pretty girl who is a somnambulist and who is stealing her own jewels and finds the thrills for which he has been looking. The story is one that will hold your interest from beginning to end.

A Broadhurst Story

A picturization of George Broadhurst's famous story, "Today," is the attraction at the Princess theatre today. Florence Reed plays the leading role which is well adapted to her personality and talent. Spectacular and beautiful settings, gorgeous costumes, and splendid acting combine to make this picture an artistic accomplishment. Tuesday, Carlyle Blackwell and June Elvige will appear in "The Beautiful Mrs. Reynolds." Wednesday, the well known star, Alice Brady will be presented in "Woman and Wife." The management announces that the film production of Ambassador Gerard's famous book "My Four Years in Germany" will be shown for two days Monday and Tuesday, May 20 and 21.

WANTS COUNTY TO STAND WITH THEM
Gus Williams, Writing From France, Expresses His Convictions on Duties of Folks at Home
POLITICS SHOULD BE TABOO
Man Who is Not Broad Enough to Forget Political Differences is Traitor, He Says

Full of interesting detail and alive with the spirit of steadfastness and courage which is characteristic of every one of Uncle Sam's soldiers, is the letter which has been received by Mr. and Mrs. A. N. Williams from their son, Gus Williams, who is a member of Company D, 30th Engineers, now stationed "somewhere in France."
In answer to a query as to what the soldiers want the "folks at home" to do for them the letter says: "I am going to make a strange request or it may seem strange to you but it is for everyone at home and comes from every American soldier in France. Do your best and urge others to do their best, to see that strong and fearless men are elected to office this fall. Surely it is unnecessary to say 'Regardless of politics.' The man who is not broad enough to forget political differences is a traitor. America, I think, must spend without stint of blood and wealth and suffering in order to win and you people have the right to know that the spending is done wisely. The knowledge that America is behind us to the limit, is what one of the boys in France wishes, at any rate."
The letter, which was written on Easter day, describes the day as "damp and cold here in this little French village where apparently Easter day is as any other day." He says: "Some American boys are thinking of home and would like to know what the folks at home are doing. We would like to be there and enjoy the day, but on the West front, the German hordes still dash themselves against the heroes of France and England in frenzy, and we know that the war is not yet won; that the big job still confronts us, that the Hun remains unbeaten, and many Sundays must pass before we can leave France knowing that our work is done. Here then, we are happier to be."
The letter then describes the town and tells something of conditions there. "Through the town and directly in front of the barn in which I happen to live, flows a small stream," he continues. "Its water is very cold and clear and at least looks to be pure. We use it for every purpose except drinking and while it is clean looking, it is very cold and a dash of that water in the face when we first crawl from the blankets, brings a fellow to life in a hurry. (Since I left Ft. Myer, Va., I have not had the use of warm water for any purpose until, yesterday morning, in desperation, I asked a French woman for a cup of

HOW TO GROW Snap Beans
Snap and pole beans are among the most valuable and dependable crops of the garden. "When in doubt what to plant—plant beans." Beans thrive best in a rather warm sandy loam, but may be grown on almost any kind of soil. For the best results the soil should not be too rich in nitrogenous matter, or the plants will run to foliage and stems at the expense of the crop. Beans will not withstand frost and the first plantings in the spring should not be made until about two weeks after the average date of the last killing frost. The soil should be in good condition and the rows should be laid out perfectly straight so as to make cultivation easy. One pint of the seed of most varieties of snap beans is sufficient for a 100-foot row. When the cultivation is to be done by horse, the rows should be from 30 to 36 inches apart. When hand cultivation is to be employed, the rows should be from 18 to 24 inches apart. It requires from 40 to 60 days for snap beans to be ready for use if the weather conditions are favorable.
Successive plantings of string beans should be made at intervals of 10 days to two weeks throughout the growing season. By following this scheme a constant supply of tender beans will be assured.—U. S. Department of Agriculture

DO YOUR BIT. Help the Government by saving the freight on wheat and flour. Relieve the all-roads of this unnecessary congestion by establishing in your community one of these wonderful American Midway Roller Flour Mills.
And Make Money, Too
\$150 to \$1,000 per month can be made with this permanent, substantial, and dignified business.
This wonderful self-contained roller mill is revolutionizing milling. Makes epidemic flour a better yield than the Government requires. One man without previous milling experience can run it successfully. Small cost, small power, easy operation enables it to make a "Better Barrel of Flour Cheaper." You can make your flour under our nationally advertised brand "FLAVOR."
Our Service Department inspects your product and keeps you up to quality. Sizes of mills from 15 to 100 barrels per day. You can start with the small size if you have \$2,000 to invest. Sold on 30 days free trial.

CRITICALLY ILL WITH SPINAL MENINGITIS
Ralph J. Cullipher Who Was Afflicted After Entering Army at Camp Taylor, May Not Recover
TAUGHT SCHOOL HERE 2 YEARS

Word has been received here that Ralph J. Cullipher, formerly teacher of manual training in the Rushville high school, is critically ill with spinal meningitis at the base hospital at Camp Taylor, Ky. Cullipher resigned his position in the local high school in March and went to Camp Taylor on March 20 with a delegation of drafted men from Anderson, Indiana. He went to his home in Anderson recently on a furlough and returned to camp a little over a week ago, and on his return to camp immediately became ill. According to the word received today, the serum treatment had been used as a final resort and if there is no improvement within the next five days his condition will be hopeless.
Mr. Cullipher has many friends in this city, having taught here for two years. He was married about a month before being inducted into the army.
According to word received here today, Mr. Cullipher's condition was much improved.

warm water and then enjoyed a real shave for the first time in many days."
A description of the daily routine follows and it proves to be similar to that in the army cantonments in the United States. In reference to the way the boys in that locality spend Saturday and Sunday he says: "We are allowed passes on Saturday and Sunday and can then visit the historic town of A—the name of which the censor forbids me to mention. This town has about the same relation to the village in which we are located as Rushville has to Arlington. The city is very, very old and is surrounded by a great wall, in some places forty feet high. The buildings are all of stone and the streets are ridiculously narrow. The width of the main business street from curb to curb is about that of the sidewalk in front of Johnson's drug store. The sidewalks vary in width from six inches to four or five feet. The stores boast signs which say "English spoken here" and one enters but a few places where he is not able to make his wants known by a combination of signs, soldier's French and the shopkeeper's English. Many of the stores specialize in "souvenirs from France" and they are souvenirs from France in the sense that anything coming from this land of poverty, suffering, death and heroism, bearing the date of these fateful years, or the scars of battle will in years to come be the souvenirs of the great French republic and a symbol of the great tragedy."

3 LETTERS UNDELIVERED

Postmaster Looking for Persons Who Have Letters from Soldiers.

Postmaster G. P. Hunt is looking for Miss Daisy (Tucker, Miss Florence Knecht and Miss Violet Weldon so that three nice, fat letters from soldier boys in France may be delivered to them. Postmaster Hunt could return the letters to the senders as their addresses are on the envelopes, but he does not want to deprive anyone of the pleasure of reading a letter from a Yankee soldier boy in France. Neither of these persons can be located in Rush county.

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nifty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

THREATENED TO KILL, GRACE SMELSER SAYS

Brings Suit For Divorce From Roy B. Smelser and Demands Custody of Two Children

RESIDE IN UNION TOWNSHIP

Alleging that he has threatened to kill her and her children, Grace M. Smelser has filed suit for divorce in the Rush circuit court against Roy B. Smelser. The complaint says that Mrs. Smelser has endured the abuses heaped upon her by her husband because she feared him.

Mrs. Smelser also charges that her husband has made threats against the life of her father as well, and that he has called her vile names, struck, beat and abused her and told her that he wished she would leave him.

Mr. and Mrs. Smelser live in Union township. They were married September 10, 1913, and separated May 1, 1918, according to the complaint. Mrs. Smelser demands the custody of their two children, Helen, age three years and Marion, age two years.

FEW CONTESTS MARK PRIMARY ON TUESDAY

Republicans Have Only Three on the County Ticket and the Democrats Have Two

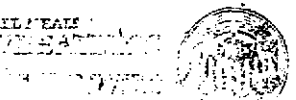

SEVERAL IN THE TOWNSHIPS

The primary election will be held tomorrow to nominate republican and democratic candidates for the election next fall. The republicans have three contests on the county ticket and the democrats two, and there are a few contests on the township tickets of each party. Only candidates for nominations where there are contests will appear on the ballots. The inspectors received their supplies Saturday.

There are two republican candidates for the nominations for county treasurer and assessor and three for commissioner from the first or southern district. Two candidates seek the democratic nomination for representative and two for commissioner of the third or northern district.

There are two republican candidates out for the nomination for trustee in Posey, Orange, Jackson, Union and Noble townships. Two republicans seek the nomination for precinct committeeman in Orange township and three want the nomination for Rushville township assessor. There are three candidates for the democratic nomination for Posey township trustee, three for Walker township trustee and two for Noble township trustee. Two democrats want the nomination for assessor in Posey and there are two candidates for the same office in Orange and Union townships. There are four candidates for the township advisory board in Walker township and only three to be nominated.

A Purposeful Formula

Senreco's formula is not "just a little of this and a little of that."

It was devised with a definite object in view.

The object was to produce a tooth paste possessing medicinal as well as cleansing properties—a real cleanser that could be depended upon to remove tartar and keep mouth and gums healthy.

The ideal defined, our laboratories set about to determine the proper combination to produce it. Senreco is the result. It has been tried, tested and pronounced good by hundreds of the profession. Try a tube. A single tube will prove every claim. Will show why thousands today use and demand Senreco—and are satisfied with nothing less. All druggists and toilet counters. Large 2 oz. tube—25c.
